

It's Easy:

- Successfully convert a project specified for topsoil or compost over to Profile® ProGanics™
 - Send in the *"Spray It, Don't Spread It."* rebate form with supporting documents.
 - Get a rebate check for up to \$60 per ton!
- Visit profileproducts.com/sprayproganics for complete program details and important information to help you interpret soil tests, develop submittals and gain approvals.

Take advantage of ProGanics™ and get the **SPRAY** benefits:

Save Time and Money: Quick and easy application costs a fraction of topsoil or compost using conventional hydraulic seeding equipment that combines placement of growth medium, seeding and inclusion of amendments all in one convenient pass.

Performance: ProGanics provides an abundant source of organic matter and soil-building components to quickly modify chemistry and initiate growth establishment.

Rebate: Receive BIG rebates when using this topsoil alternative.

Always Efficient: Two tankloads of ProGanics can replace up to 36 truckloads of topsoil.

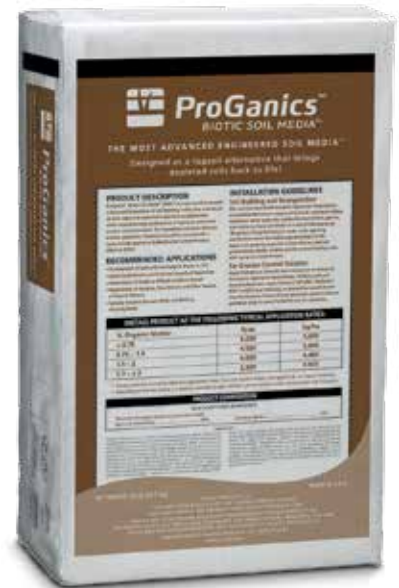

Your Peace of Mind: ProGanics has been proven effective on some of the harshest substrates in the world.

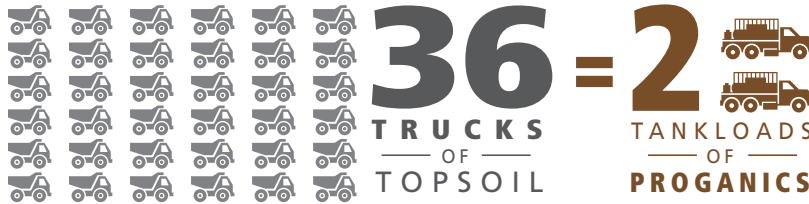

Profile® is Offering \$60 Per Ton Back on ProGanics™ When Converting From Topsoil or Compost.

ProGanics™ Biotic Soil Media™ (BSM™)

- ProGanics saves time and money where the cost of topsoil is prohibitive
- ProGanics can be used on challenging sites with difficult access and on steep slopes where topsoil placement is impractical
- ProGanics is an excellent option when soils are too wet or frozen to dig, transport and spread
- Quick and easy loading
- Engineered to shoot smoothly for optimum performance
- Applying ProMatrix™ EFM™ or Flexterra® HP-FGM™ over ProGanics will provide near perfect erosion control

No limit or cap on the number of projects or tons; may be combined with other offers.

Need Help with Submittals? Call us at 800-508-8681. We can help.

To redeem this rebate, contractors must email, fax or mail the completed rebate form to the contact information below with a copy of the **distributor invoice** and **additional information including one (1) or more of the following:**

Topsoil or compost specification, project addendum, submittal letter requesting topsoil or compost replacement and/or change order. Visit profileproducts.com/sprayproganics for more complete program details.
